

Susan Woodcock owns Home Dec Gal a how-to sewing and decorating resource and custom workroom in western North Carolina, and is a Craftsy.com instructor and international speaker. She's also worked in marketing and brand management, and co-produces the Custom Workroom Conference with her husband, Rodger Walker. Susan's publishing credits include *Sewing Custom Curtains, Shades and Top Treatments* (Singer, 2016). In 2017 Susan and Rodger founded Custom Workroom Technical Center, a hands-on training facility dedicated to the workroom industry. She credits her mother with teaching her to sew and inspiring her career of creativity.
